# Twokinds Online

A short sketch comic by Tom Fischbach

Hey Tom! It's me, Rob. You've got to try this game I've got.

It's an online one. Pretty addicting. It's also an RPG, so you'll like it.

You don't have to worry about paying anything, it's free. I'll even give you some supplies.

Twokinds, huh?

Well, let's try this thing out.

But whatever you do, be a human. Trust me.

Woah, awesome.  
This is pretty cool.

**Current Class:** Fighter  
**Health Points:** 68/68  
**Mana Points:** 21/21  
**Level:** 1 **Status:** OK

Hey, Tom!

huh?

Rob!?

Yeah, it's me.  
How's it going?

Er, fine. But why  
are you.. a girl?

Well, I don't have to  
be a guy if I don't want to.  
This is a game, after all.

**Name:** Loriala  
**Age:** 14 **Race:** Human  
**Current Class:** Mage  
**Health Points:** 270/270  
**Mana Points:** 140/160  
**Level:** 15 **Status:** OK

Whoa, what's that?

This is a Keidran. I just caught  
her not to long ago. They are the  
other race you can be.

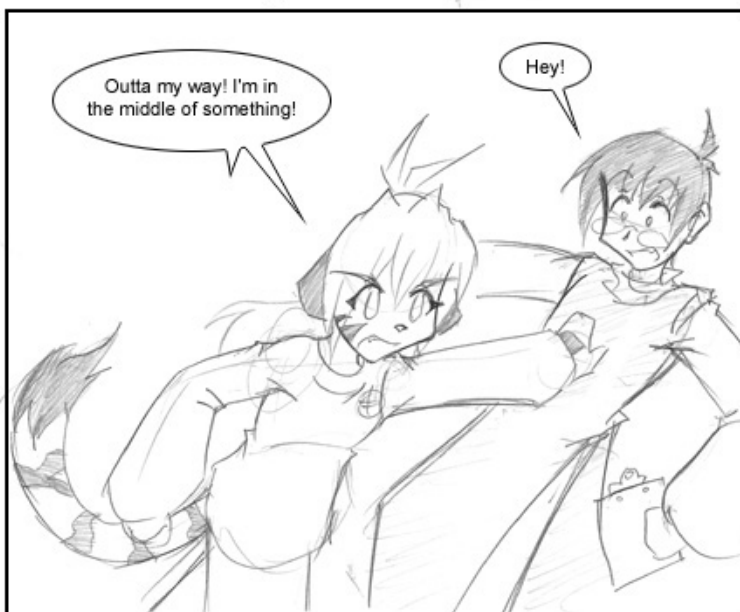

You mean, that's a  
real person? Why can't  
I understand her?

Well, this game has a language  
barrier that makes it so we can't under  
stand players who are Keidran, and vise versa.

She's waiting for me to sell  
her, or if I die. Until then, her  
character is mine.

Please excuse the interruption, we seem to be having technical difficulties.

Don't worry, though. We should be up and running.. eventually.

Flora + Cute, not out!!

This is a good opportunity for me..

In the meantime...

...to read some fanmail!

Let's see.. "Hey Tom!

Your comic is awesome, man. I love the art, and Flora's teh cutest thing ever. One question, though. You say you're a guy

but your comic's really sappy. Are you a girl in RL?

And if not, why don't you make Flora.. have..."

# Happy Halloween!

Who is Flora dressed as? Email me the answer and win a picture.

MERRY CHRISTMAS!

It's all mine now.

Flora...

I'm really glad you're back to your old self agin.

I was getting to really miss the time when you only accidentally hurt me.

Hehe, yeah. I'm glad I'm back to normal.

Definetely.

So how do you feel, Flora?

Nothing.. eh... unusual?

Pretty good, I guess.

Well, now that you mention it...

I think that mask may have made a few changes...

Do I look different to you?

Eheh... different?  
Of course not!

And Tom was pelted with rocks.

I would like to take a moment to apologies once again for the lack of update for today, as well as explain the reasoning behind the currently unfaithful schedule. For the past week, I have been a host to a German student visiting the United States through a student exchange program. Due to the busy schedule placed upon us by the school, I have had little time to do much of anything else. I am sincerely sorry for this inconvenience, and will strive to stay on schedule for the rest of this month.

Please have patience, today's comic will be put up on Wednesday.

**Happy Independence Day!**

► **Level up!**

Be right back  
(really)

I fell asleep making the comic.  
It's almost done. Check later today.

This is what the comic looks like before I color it. Pretty ridiculous without any of the backgrounds or special effects, huh?

# HAPPY BIRTHDAY TWO KINDS!

**October 22nd, 2005**

**A little late, but better than never.**

Trace...? What are you doing?

Just resting...

Are you getting tired?  
You stopped right in the  
middle of your story.

Everyone's waiting to  
hear what happens next.

Yeah, I know.

Why don't you  
tell it, I've told you  
how it all goes.

Trace, you know I can't do that,  
it's your story. They don't want to hear  
about it from me, I'm sure.

And I think Keith is eager to  
leave with that girl of his.

Keith's always been the  
impatient one.

But you're right...

I need to finish it.

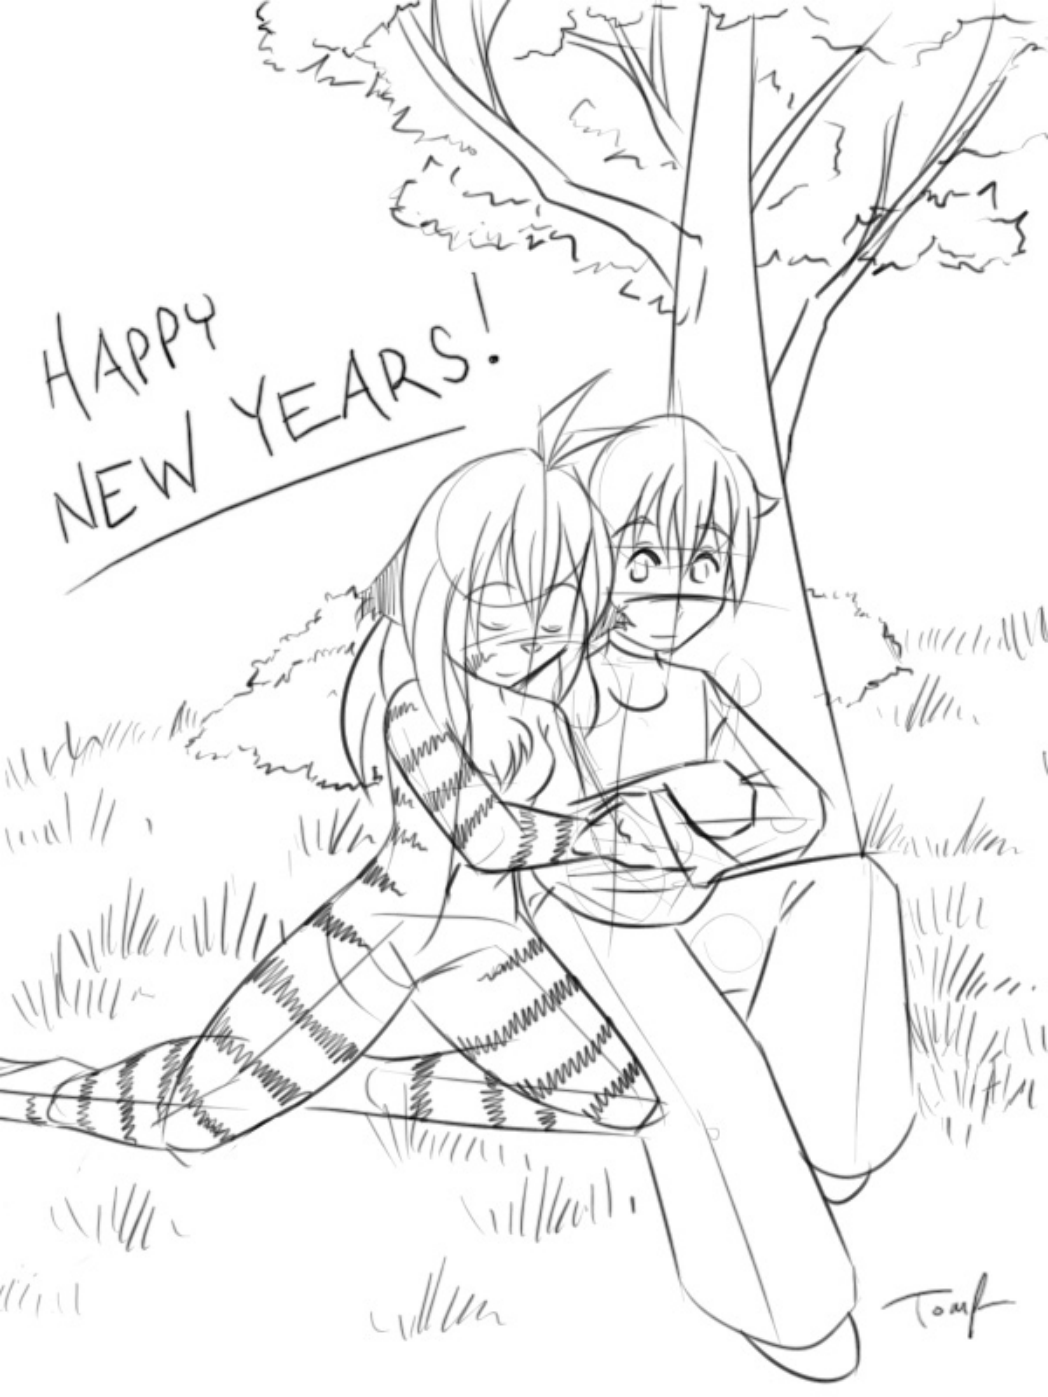

Tell the men to start a fire.  
I'll be there, as soon as I... take  
care of something first.

**TWOKINDS** will resume shortly.

Merry Christmas!

Updated News Below

Tom

Why are you concerned?  
Once our king is out of the way,  
the Keidran will have—

We have more to worry  
about than the Keidran.

Euchre! Where  
have you been?

Sorry...

As I was saying...

**I am away at the moment. My father is having health problems and I've gone to support my family. Twokinds will be on a brief, two-day hiatus until I return.**

should be concerned about.

They may not be our enemy now,  
but who knows who those beasts will  
side with when war breaks out.

We cannot afford to fight  
on two fronts. Especially with  
a race like the Basitin.

I had to attend  
to a personal matter.  
Please continue.

I already told you all only  
to worry about the Keidran.

I have already taken  
care of the Basitin.

I have a man on the island...

True, we couldn't hope to  
defeat them directly. We must first  
rot them from the inside...

Trace, are you okay?

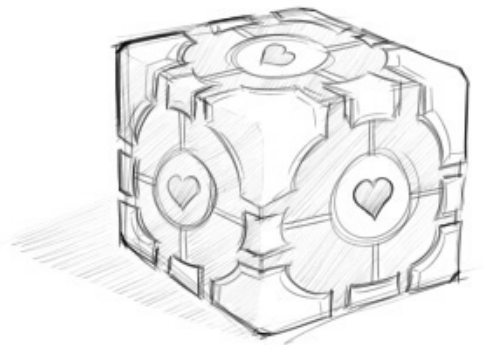

Huh? Oh, yeah.

I just... I feel like I've  
been here before...

## Updates

My father has recently had a surgery to fix the damage caused by his cancer and the medication treating said cancer. I have spent the past week in and out of the hospital and haven't had enough time to work on the next page.

He has returned from the hospital now, but he is on oxygen and needs almost constant supervision, so I am not sure how much free time I will have in the next couple of weeks. He has had a tracheal tube put into place and cannot eat, but we hope it will be removed sometime later this month, once his throat heals.

I apologize for not updated recently, but more so for not putting up any new information until now. I am having difficult finding time to do much of anything in the last week. Fear not for the state of the comic, though, I will continue to work on new material whenever I can scrounge up enough time. I cannot give a definitive date yet, but I will post new comics as soon as I finish them.

Thank you for your support,  
Tom

COMICS RESUMING THURSDAY

**TWO KINDS**

9TH ANNIVERSARY

**HAPPY  
HALLOWEEN!**

You know, maybe we should rethink this *enchanted mistletoe* prank, Flora...

Aw come on, Trace! It's all in good fun!

Besides, this spell of yours is too funny to waste!

I wonder who we'll get first?

Wait, Flora! Someone's coming down the stairs!

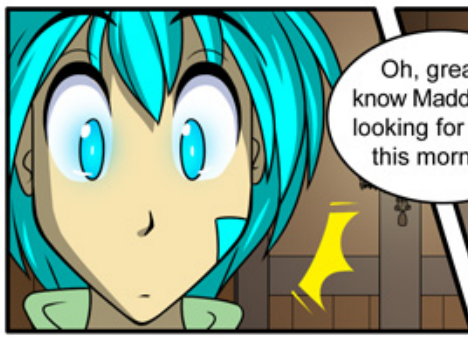

Shoot! I almost had it up!

H-hey guys! What's up?

Hey Flora. We found some of the missing decorations up in the attic.

Oh, great! I know Maddy was looking for those this morning.

Well, I'll let you get back to— eep!

Trace!

Mistletoe made me do it!

Wait, so... what ended up happening to Roselyn?

Well, my mother could see in Rose's mind that she was not in fact a spy. So, mother sent her back to Keidran territory, on the condition that she never return again.

Oh, I see. That's... good. You know... it's strange. I've heard lots of stories about the Templar, but... I've never felt bad for the Keidran before.

I'm... glad Rose ended up okay, and that's weird to say.

I guess you've never had a reason to empathize with a Keidran before. Though, you should be glad she survived.

Hm? How so?

Well, you see, while Euchre was at the college, Rose had been with child.

Oh, really?

Yes. Before I was born, she had had a baby boy.

The child had red hair and bright green eyes. And although she promised not to return, the child eventually ended up at the doorstep of the Templar, where it was raised under a human disguise.

Uh... I... see. R-Raine, what are...

Tell me, "Red" - Do you happen to have any sort of memento from childhood? Something you've had with you for as long as you can remember?

N-no, of course not. I have nothing like that! Nothing... except for...

Um, well... this pendant was said to be an old family heirloom...

The fact is, you-

CRACK!

Hey!

B-but Raine, this is crazy! You aren't honestly suggesting that I'm somehow- Yes, Red...

-have secretly been a Keidran all along, just like me!

W-what?! No... no!

Noooooooooo!

Oh, and that also makes us cousins! So, sorry, cuz, I'm off limits!

Happy April Fools!

Sorry for the  
additional delay...

Stop right there, wolf!

Who the heck is that?! Where did he come from?

Huh?!

I am Keith's assigned manservant. And as such, it is my duty to take care of him.

I've already taken the liberty of preparing a bath for him.

I thank you for your help, but I'll be taking things from here!

Besides, this wouldn't be the first time I've bathed with him.

What are you talking about? "Wouldn't be the first time?"

We've hardly known each other.

Hmhmhm...

Oh, Keith, I thought for sure by now you'd see through my ruse...

I know you only met Lynn once before, but didn't you notice? The lack of speech impediment? The difference in appearance?

The grey eyes...

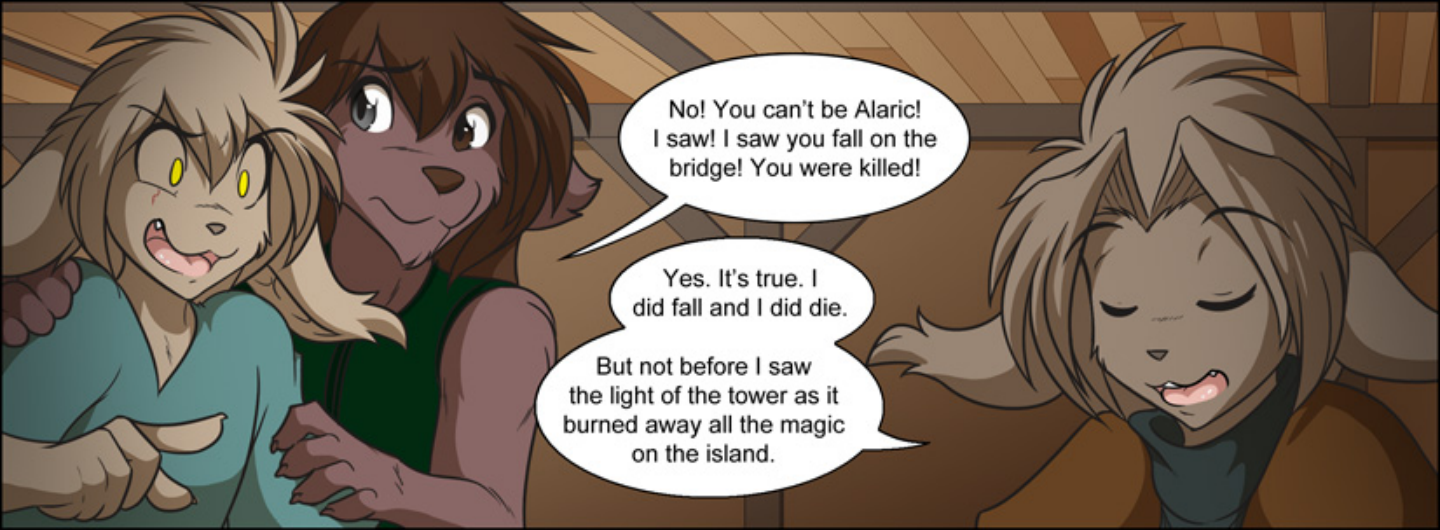

No... no, that's not possible. You... you're....

Dead?

Only mostly.

No! You can't be Alaric! I saw! I saw you fall on the bridge! You were killed!

Yes. It's true. I did fall and I did die.

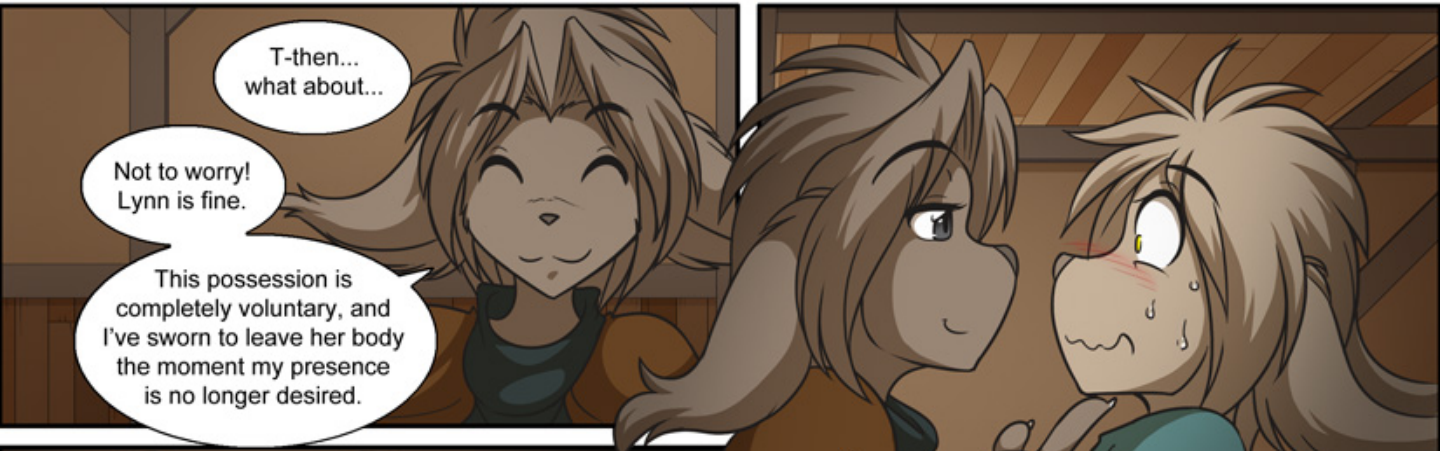

But not before I saw the light of the tower as it burned away all the magic on the island.

I died *after* the tower fell. Like Laura, when my spirit left my body, it had nowhere to go. But unlike Laura, I had my faithful servant, Lynn.

Lynn, ever loyal, agreed to serve as my vessel, and snuck aboard your ship at my behest.

However, it took me until today to finally gain enough strength to act for myself.

T-then... what about...

Not to worry! Lynn is fine.

This possession is completely voluntary, and I've sworn to leave her body the moment my presence is no longer desired.

W-wait! "Her" body?!

Oh, don't worry... I'm still the same guy where it counts. and now we're together once again. BFFs, right?

W-wait!  
Hang on, I... I don't  
understand!  
What's  
going on?!

**Bahahaha!**  
Oh man, you should  
see the look on your face  
right now! Halarious!  
I got you good!

Snrk...

...W-what?  
You...

You always were the  
gullable one, even as a kid.  
Like that one time  
I convinced you I'd found a  
book of black magic and got  
you to try it out.  
You looked  
rediculous in that get-up  
I made you wear.

No... that's not  
possible. You... you  
really are...  
But wait... so you  
were joking about the  
girl thing, then?

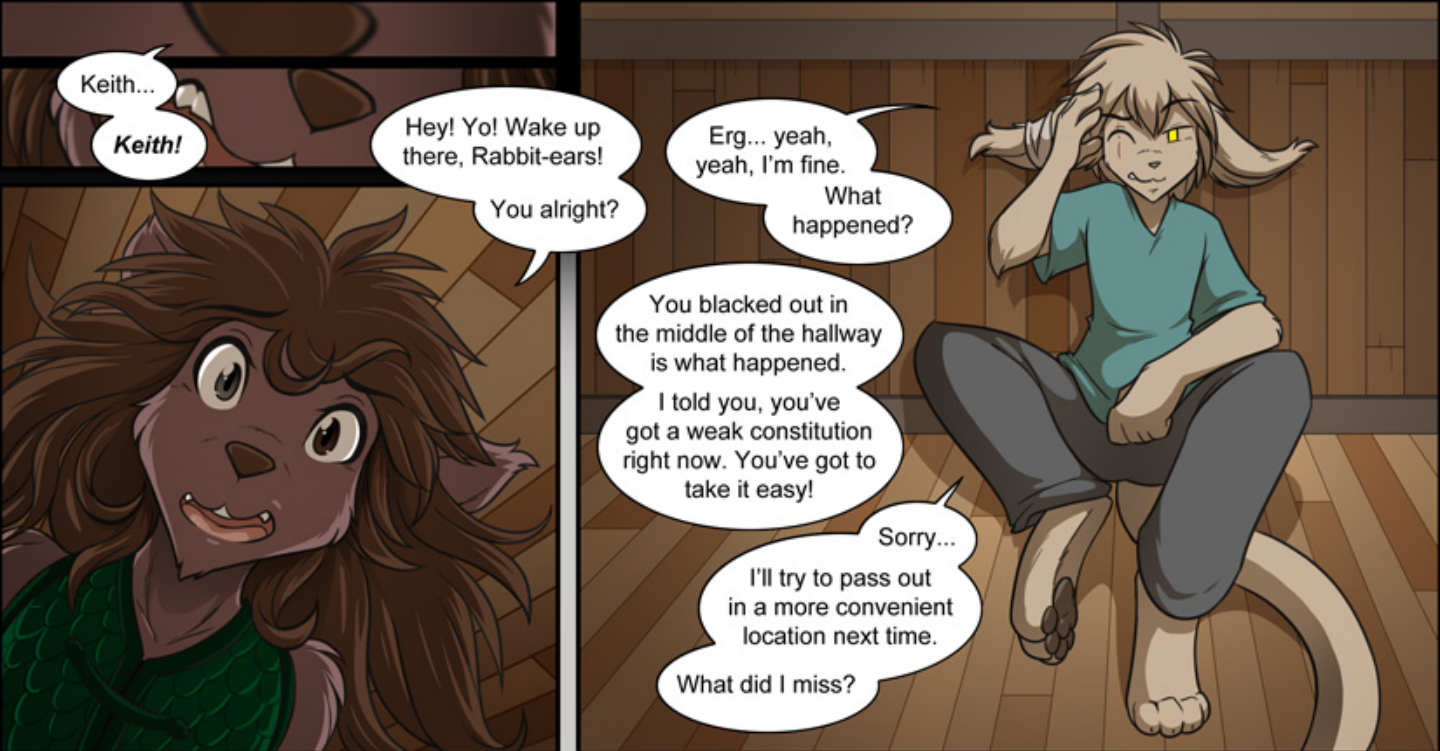

Oh, my silly little  
Keith. Not everything's a joke.  
But I suppose you'll never know  
for sure, unless, well...  
You're a general now. I'm your  
servant. And you know the loophole.  
The same one I used on you...

**THUD!**

Whoops, there he  
goes. He always was  
a fainter, too...

Keith...  
**Keith!**

Hey! Yo! Wake up there, Rabbit-ears!  
You alright?

Erg... yeah, yeah, I'm fine.  
What happened?

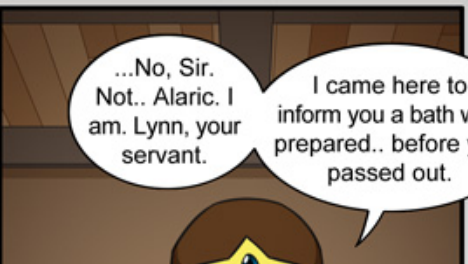

You blacked out in the middle of the hallway is what happened.  
I told you, you've got a weak constitution right now. You've got to take it easy!

Sorry...  
I'll try to pass out in a more convenient location next time.  
What did I miss?

No, wait! I remember!  
There... there was someone else here. It was—

Everything.. alright, Sir?  
—Alaric?!

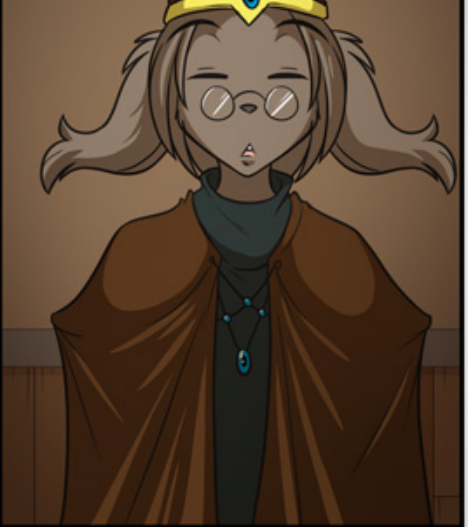

...No, Sir. Not.. Alaric. I am. Lynn, your servant.

I came here to inform you a bath was prepared.. before you passed out.

Oh...  
Keith... what is it? What's wrong?

It's... nothing. Just my mind playing tricks on me.  
...Making me believe I hadn't lost everything from my old life.

Um.. Sir?  
Huh?

I apologize. I think you.. misunderstood. I am.. me. not Alaric right now.  
He doesn't have the strength to maintain control for long.  
But he is sorry for his practical joke. He.. just likes seeing you get flustered.

S-so that was all real?  
You've been possessed by  
Alaric this whole time?

I don't believe it...

Yes. I know. This  
must be.. difficult for you  
to take in. But...

Oh, no, it's not  
that! It's just such a  
*coincidence!*

You see, I've had  
someone possessing me  
this whole time too!

W...what?

I know!

Here, let me  
show you!

Hang on, sometimes  
it takes a minute...

Okay, almost...  
here it comes.

Aaaand...

Finally...  
I've done it!

Hahahah...

*General Alabaster  
lives once more!*

The image is a digital illustration in a sketchy, painterly style. Two characters with fox-like ears and tails are the central focus. They are dressed in traditional Korean Hanbok. The character on the left has light-colored hair and is wearing a light-colored Hanbok. The character on the right has reddish hair and is wearing a dark Hanbok with a large circular emblem on the chest. They are standing in a traditional Korean building with a tiled roof and large windows. A speech bubble above them contains the text 'GREETINGS FROM KOREA!'.

FROM KOREA!

MY FAMILY AND I ARE CURRENTLY VISITING OUR EXTENDED FAMILY IN KOREA!

I PLANNED TO TRY AND UPDATE WHILE HERE, BUT HONESTY, IT'S UNLIKELY I'LL FIND ENOUGH FREE TIME. SO, FOR NOW, THE COMIC WILL BE TAKING A BRIEF REST, AND TWOKINDS WILL RETURN TO REGULAR UPDATES IN TWO WEEKS, ON OCT 5TH! THERE'LL BE A LOT TO SHARE WHEN WE GET BACK, SO SEE YA THEN! :)

# TWOKENDS

**HAPPY HALLOWEEN!**

NEXT PAGE WILL BE UP ON SATURDAY!  
SORRY FOR THE WAIT!

Have to be around a bunch of fleabags...

But get to chill on a beach with Raine...

Fleabags... Raine...

Don't strain yourself. Later.

Huh?

**SLAM!**

Raine? Aren't you coming out?

I... can't...

Why? What's wrong?

It's... I don't want to say. It's embarrassing

Raine, it's okay! You can talk to me!

Is... is it a wolf thing again?

Raine!

Sigh...

I... didn't want you to see me like this.

Oh!

That's... different.

Raine, what happened?

I don't know!

I thought maybe after yesterday I finally had more control, but then this morning I woke up like this, and my room was torn up.

I think I was sleepwalking.

That's never happened before. I don't know what's going on.

It's as if spending so long in wolf form made it used to being out, and it's trying to get out again.
