TWO KINDS
9TH ANNIVERSARY

HAVE A WARM AND HAPPY HOLIDAY!

Stop right there, wolf!

Huh?!

I thank you for your help, but I'll be taking things from here!

Who the heck is that?! Where did he come from?

I am Keith's assigned manservant. And as such, it is my duty to take care of him.

I've already taken the liberty of preparing a bath for him.

Besides, this wouldn't be the first time I've bathed with him.

What are you talking about? "Wouldn't be the first time?"

We've hardly known each other.

Hmhmhm...

Oh, Keith, I thought for sure by now you'd see through my ruse...

I know you only met Lynn once before, but didn't you notice? The lack of speech impediment? The difference in appearance?

The grey eyes...

No... no, that's not possible. You... you're....

Dead?

Only mostly.

No! You can't be Alaric!
I saw! I saw you fall on the
bridge! You were killed!

Yes. It's true. I
did fall and I did die.

But not before I saw
the light of the tower as it
burned away all the magic
on the island.

I died **after** the tower
fell. Like Laura, when my spirit
left my body, it had nowhere to
go. But unlike Laura, I had my
faithful servant, Lynn.

Lynn, ever loyal, agreed
to serve as my vessel, and
snuck aboard your ship at
my behest.

However, it took me
until today to finally gain enough
strength to act for myself.

T-then...
what about...

Not to worry!
Lynn is fine.

This possession is
completely voluntary, and
I've sworn to leave her body
the moment my presence
is no longer desired.

W-wait!
"Her" body?!

Oh, don't worry... I'm still the same guy
where it counts. and now we're
together once again.

BFFs, right?

W-wait!
Hang on, I... I don't
understand!
What's
going on?!

Snrk...

Bahahaha!

Oh man, you should
see the look on your face
right now! Halarious!

I got you good!

...W-what?
You...

You always were the
gullable one, even as a kid.

Like that one time
I convinced you I'd found a
book of black magic and got
you to try it out.

You looked
rediculous in that get-up
I made you wear.

No... that's not
possible. You... you
really are...

But wait... so you
were joking about the
girl thing, then?

Oh, my silly little
Keith. Not everything's a joke.
But I suppose you'll never know
for sure, unless, well...

You're a general now. I'm your
servant. And you know the loophole.
The same one I used on you...

THUD!

Whoops, there he
goes. He always was
a fainter, too...

Keith...

Keith!

Hey! Yo! Wake up there, Rabbit-ears!

You alright?

Erg... yeah, yeah, I'm fine.

What happened?

You blacked out in the middle of the hallway is what happened.

I told you, you've got a weak constitution right now. You've got to take it easy!

Sorry...

I'll try to pass out in a more convenient location next time.

What did I miss?

No, wait! I remember!

There... there was someone else here. It was—

Everything.. alright, Sir?

—Alaric?!

...No, Sir. Not.. Alaric. I am. Lynn, your servant.

I came here to inform you a bath was prepared.. before you passed out.

Oh...

Keith... what is it? What's wrong?

It's... nothing. Just my mind playing tricks on me.

...Making me believe I hadn't lost everything from my old life.

Um.. Sir?

Huh?

I apologize. I think you.. misunderstood. I am.. me. not Alaric right now.

He doesn't have the strength to maintain control for long.

But he is sorry for his practical joke. He.. just likes seeing you get flustered.

S-so that was all real?
You've been possessed by
Alaric this whole time?

I don't believe it...

Yes. I know. This
must be.. difficult for you
to take in. But...

Oh, no, it's not
that! It's just such a
coincidence!

You see, I've had
someone possessing me
this whole time too!

W...what?

I know!

Here, let me
show you!

Hang on, sometimes
it takes a minute...

Okay, almost...
here it comes.

Aaaand...

Finally...
I've done it!

Hahahah...

**General Alabaster
lives once more!**

BWAHAHAHA!

And thus ends the April Fools saga. I promise to never draw another April Fools comic again!
See post below for more info. **Real comics will resume Wednesday**, sans ghosts, promise.

Natani? Wait...

Hello, my

Miss me?

Actually,
I'm okay with this.

At least it's not
me this time around.

Does that make the wolf
a basitin general now?

Also, how does
that scar work?

An illustration of two anime-style characters with fox-like ears, wearing traditional Korean clothing (hanbok). They are standing in front of a traditional Korean building (hanok) with a tiled roof. The scene is bathed in a warm, orange light, suggesting a sunset or sunrise. The character on the left is a girl with light pink hair, and the character on the right is a girl with reddish-pink hair. Both are smiling. The character on the right is holding a small white object, possibly a flower or a piece of paper.
