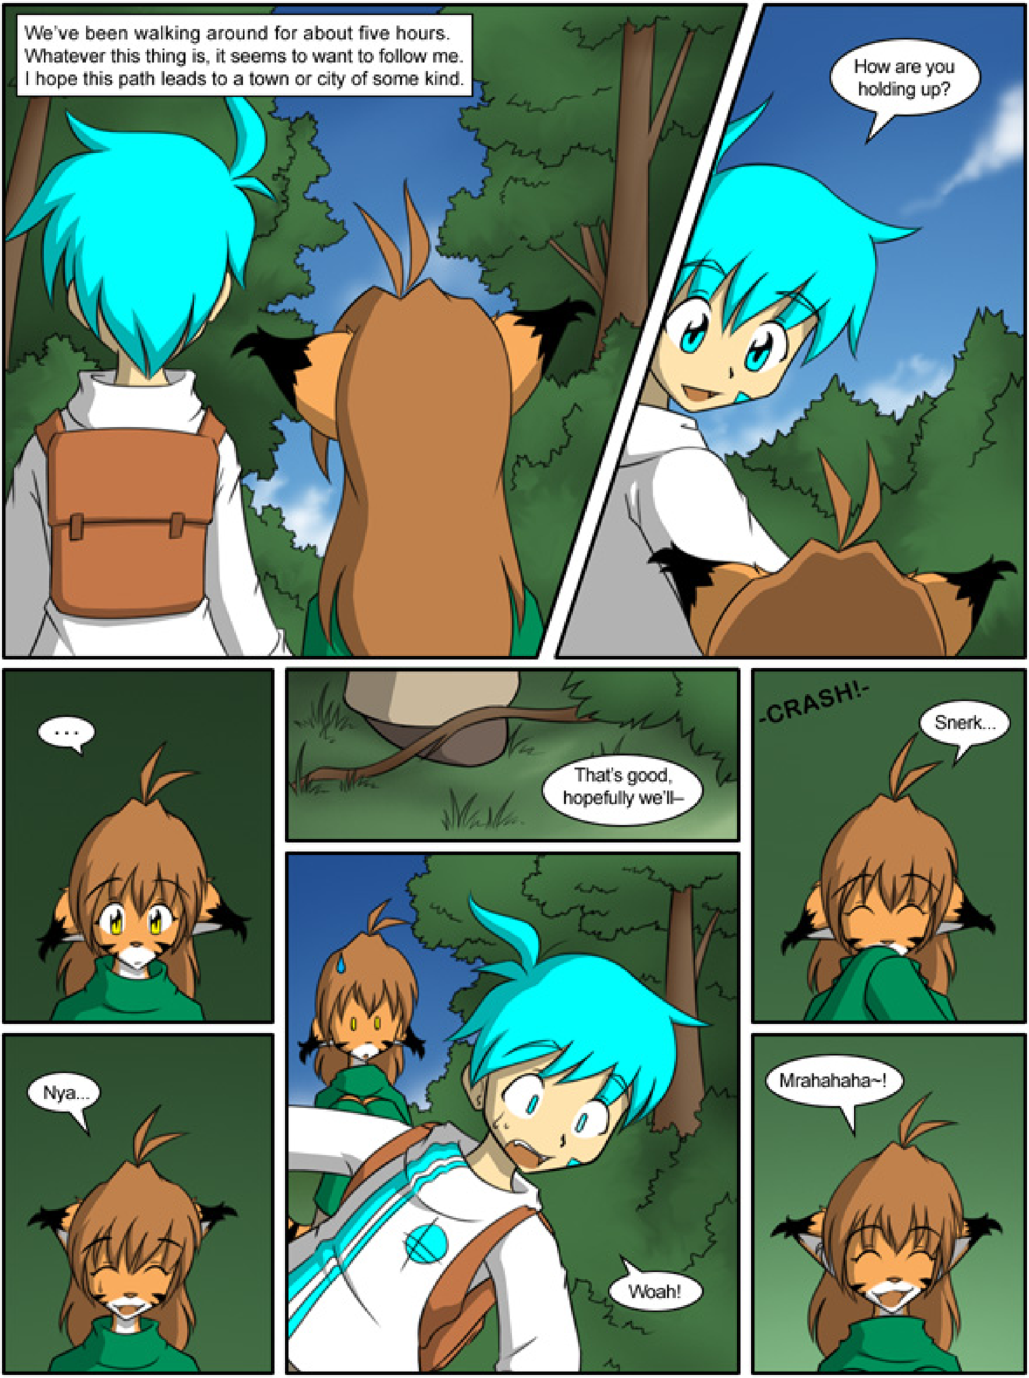
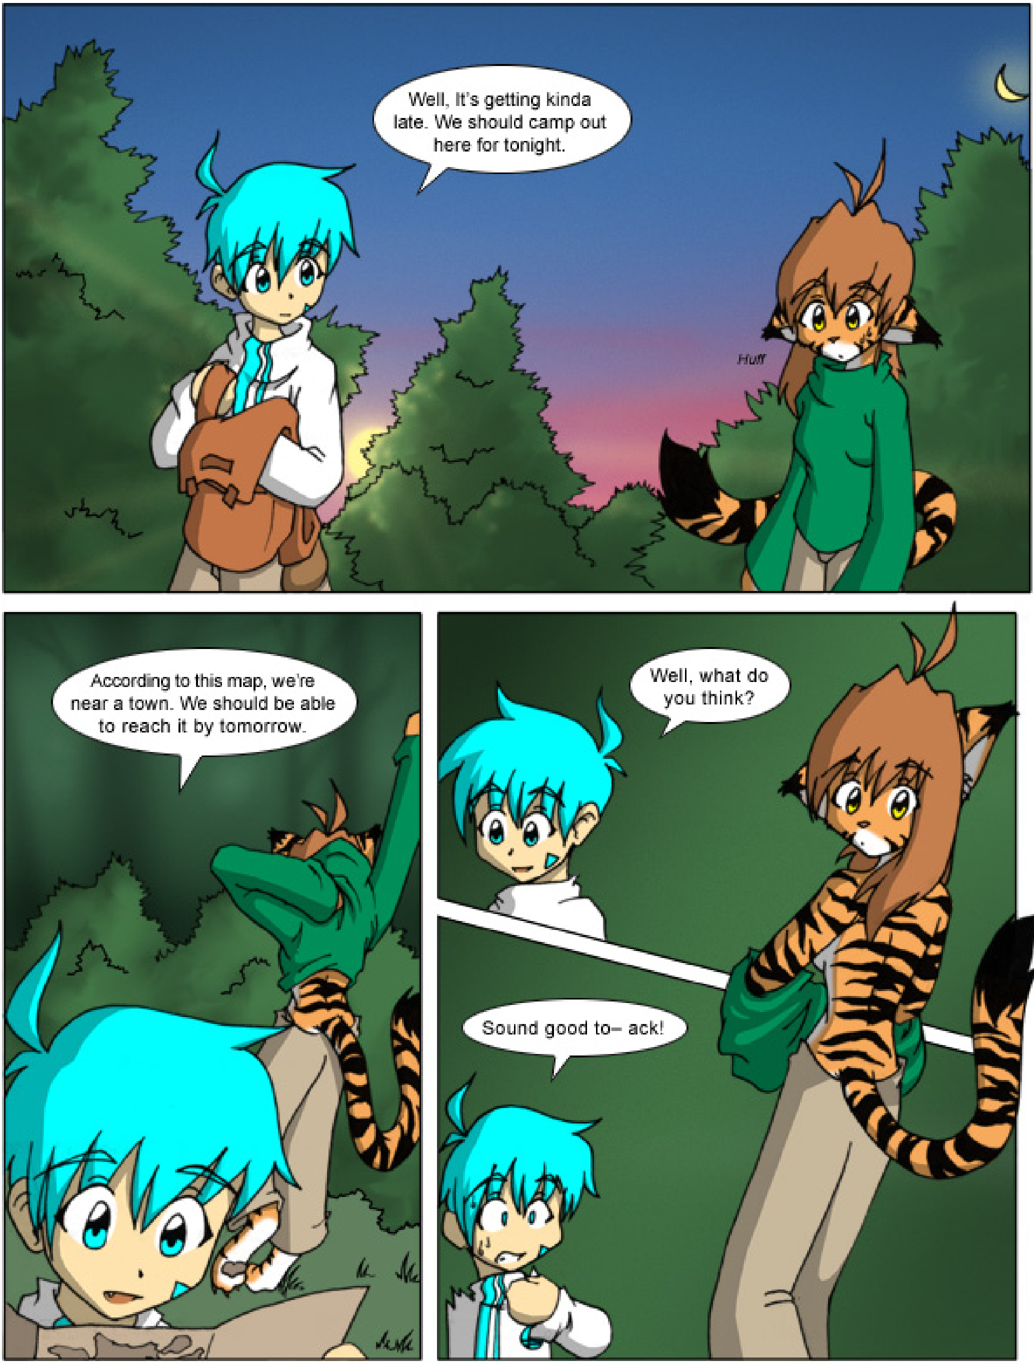
TWO | KINDS

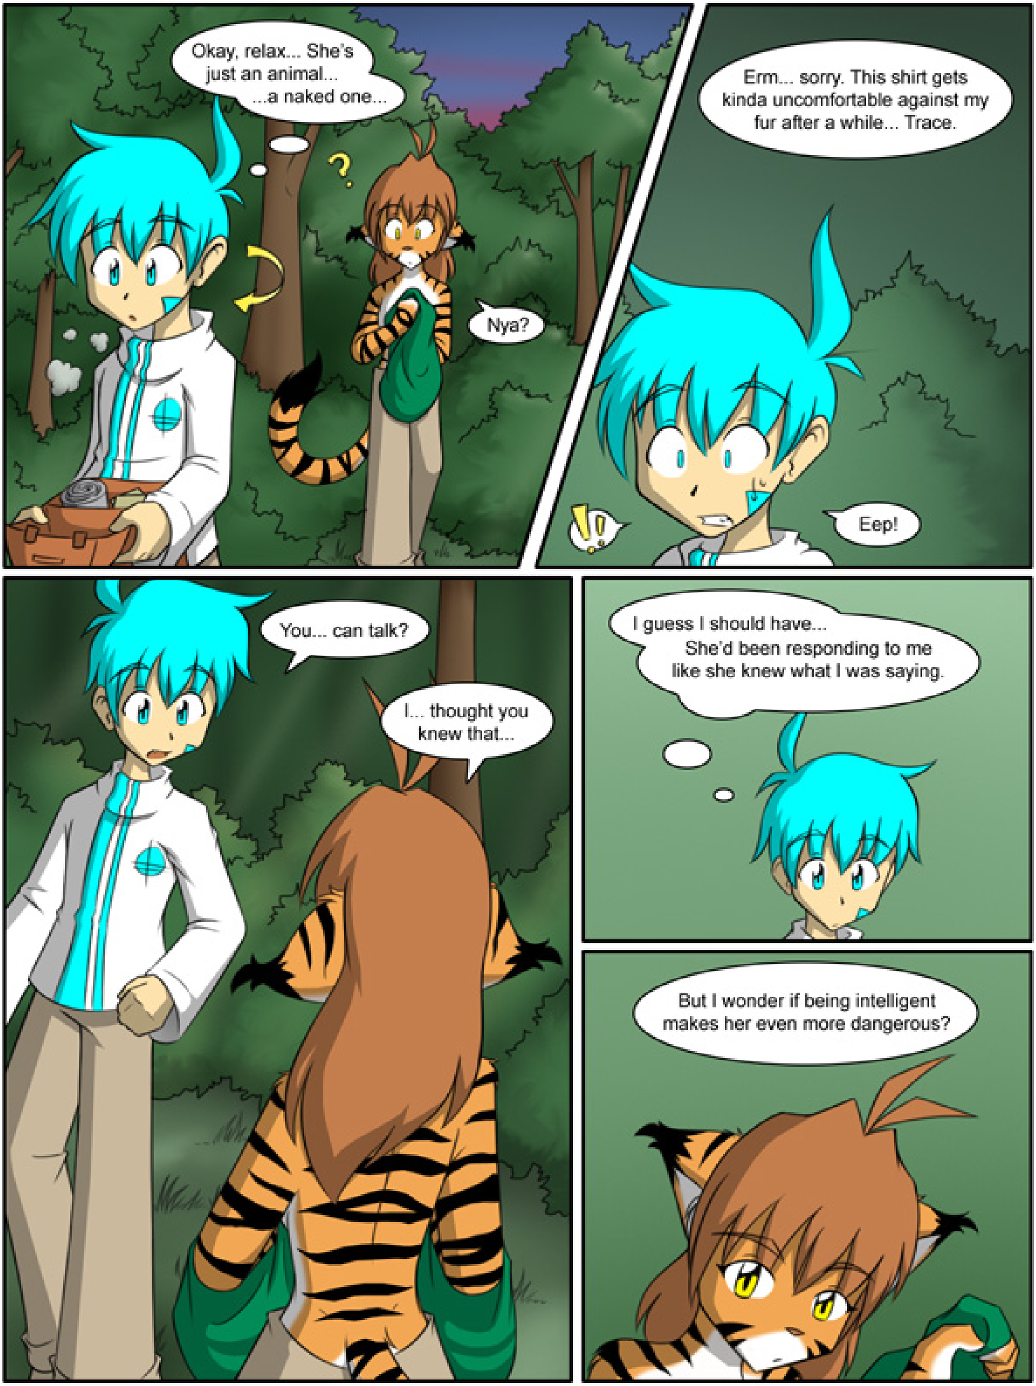
CHAPTER ONE



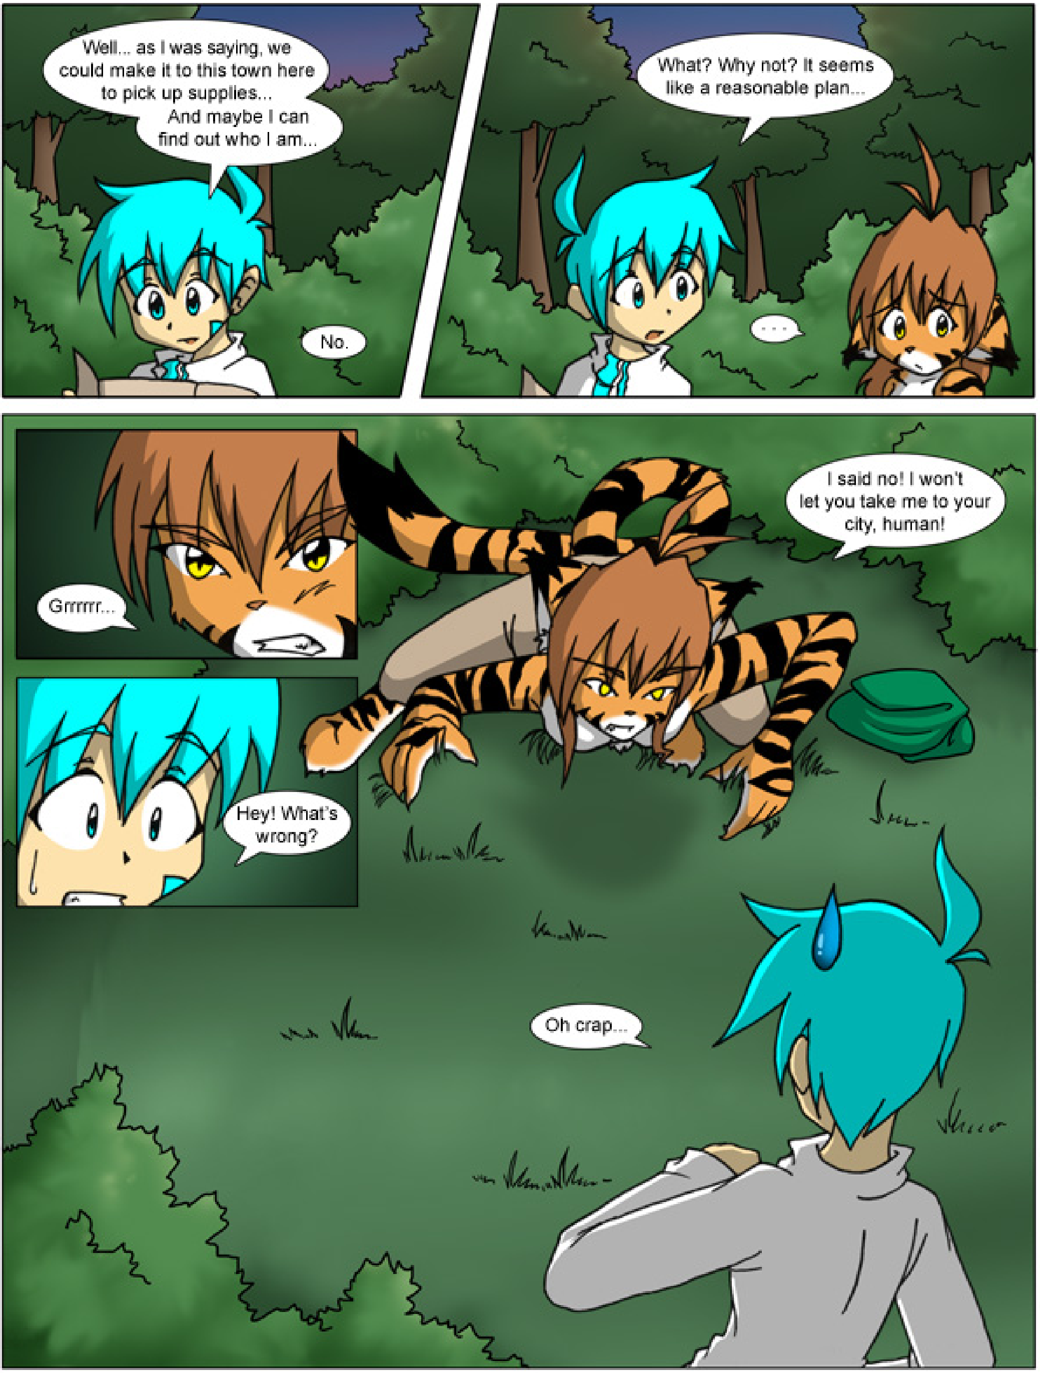
We've been walking around for about five hours. Whatever this thing is, it seems to want to follow me. I hope this path leads to a town or city of some kind.
How are you holding up?
...
That's good, hopefully we'll–
Woah!
-CRASH!-
Snerk...
Nya...
Mrahahaha~!



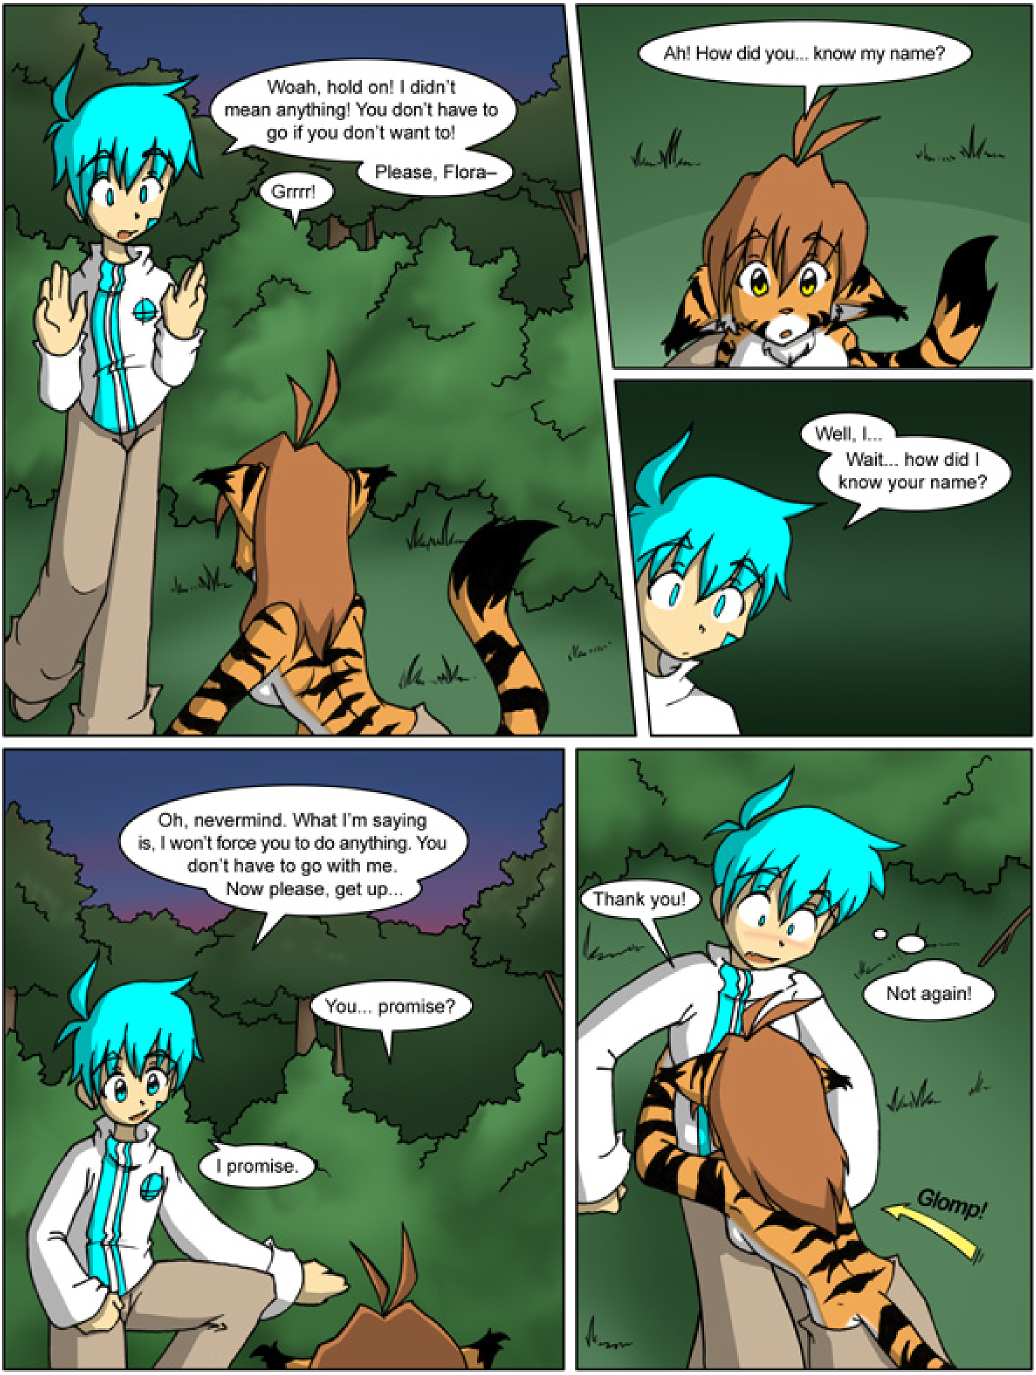
Well, It's getting kinda late. We should camp out here for tonight.
Huff
According to this map, we're near a town. We should be able to reach it by tomorrow.
Well, what do you think?
Sound good to– ack!



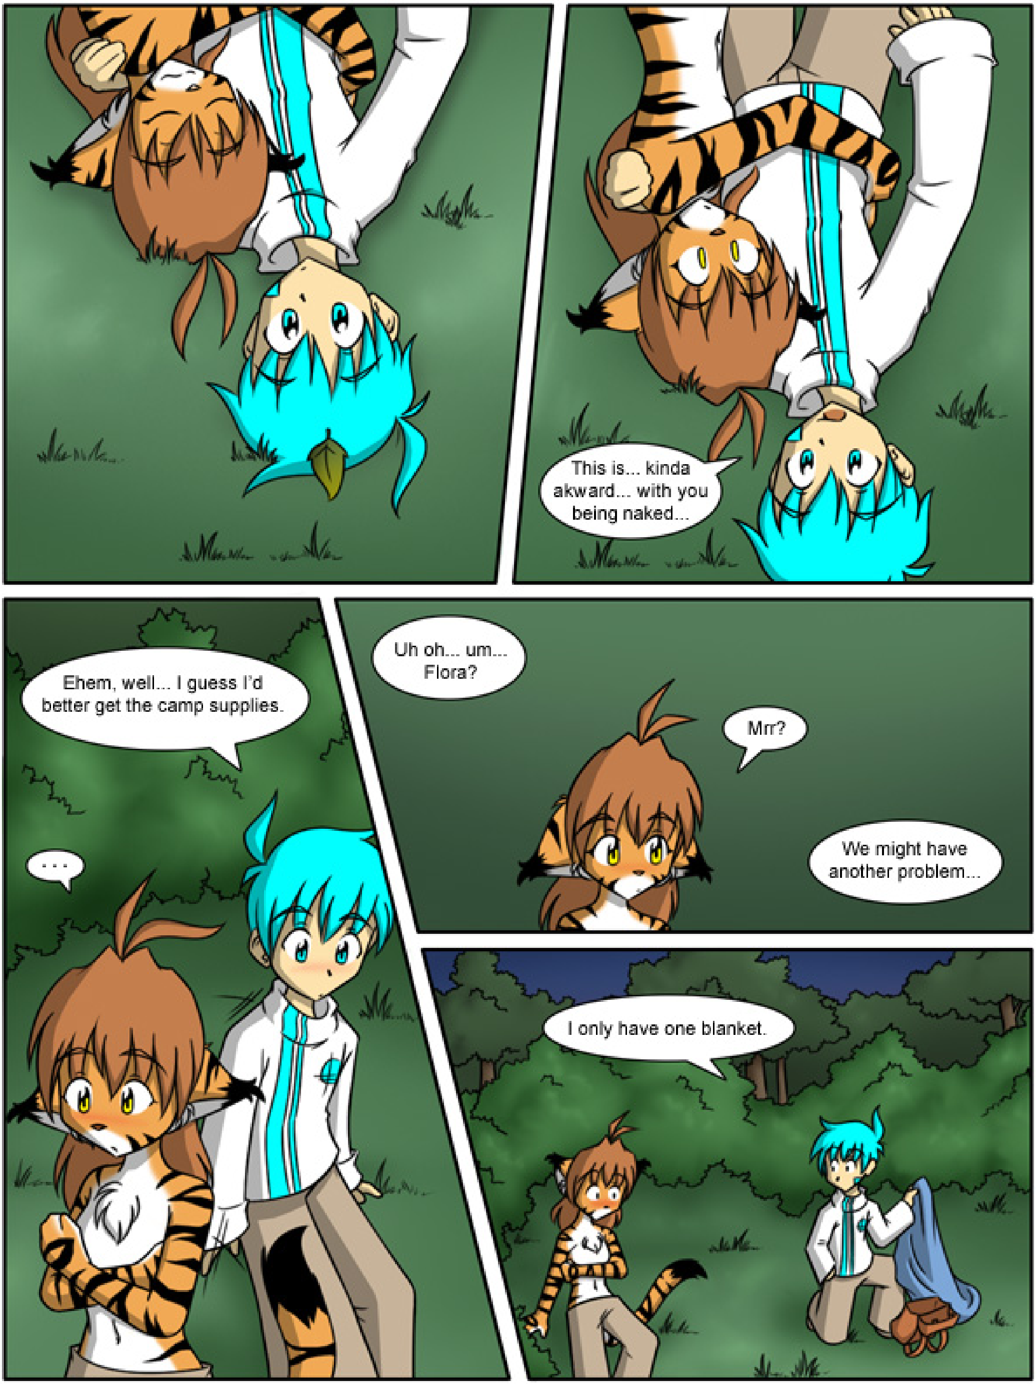
Okay, relax... She's just an animal... ...a naked one...
?
Nya?
Erm... sorry. This shirt gets kinda uncomfortable against my fur after a while... Trace.
!
Eep!
You... can talk?
I... thought you knew that...
I guess I should have... She'd been responding to me like she knew what I was saying.
But I wonder if being intelligent makes her even more dangerous?



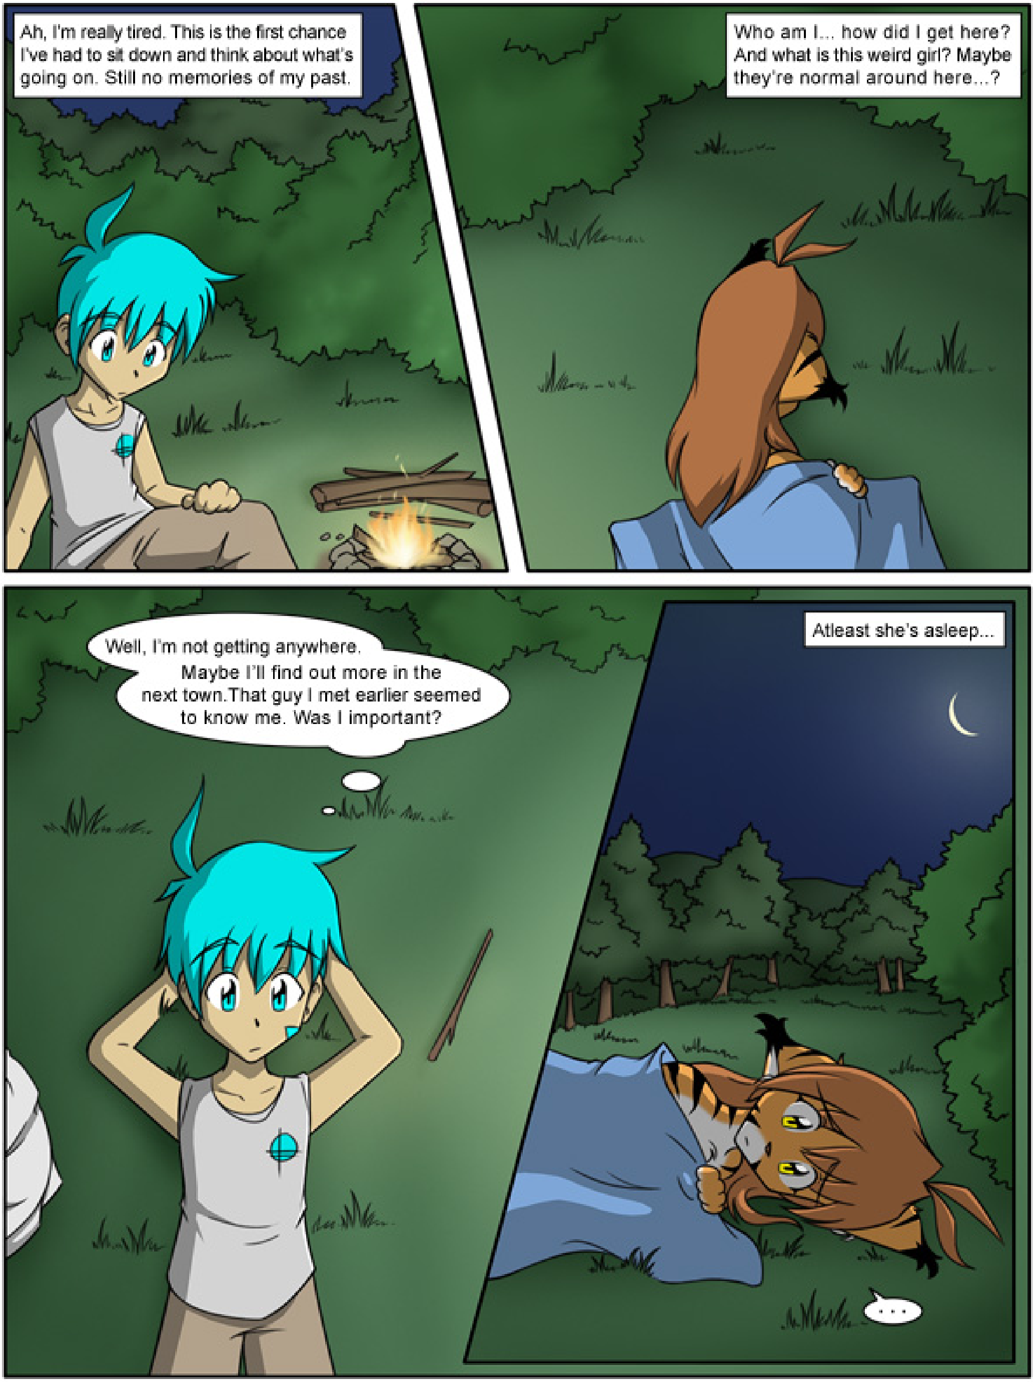
Well... as I was saying, we could make it to this town here to pick up supplies...
And maybe I can find out who I am...
No.
What? Why not? It seems like a reasonable plan...
. . .
Grrrrrr...
Hey! What's wrong?
I said no! I won't let you take me to your city, human!
Oh crap...



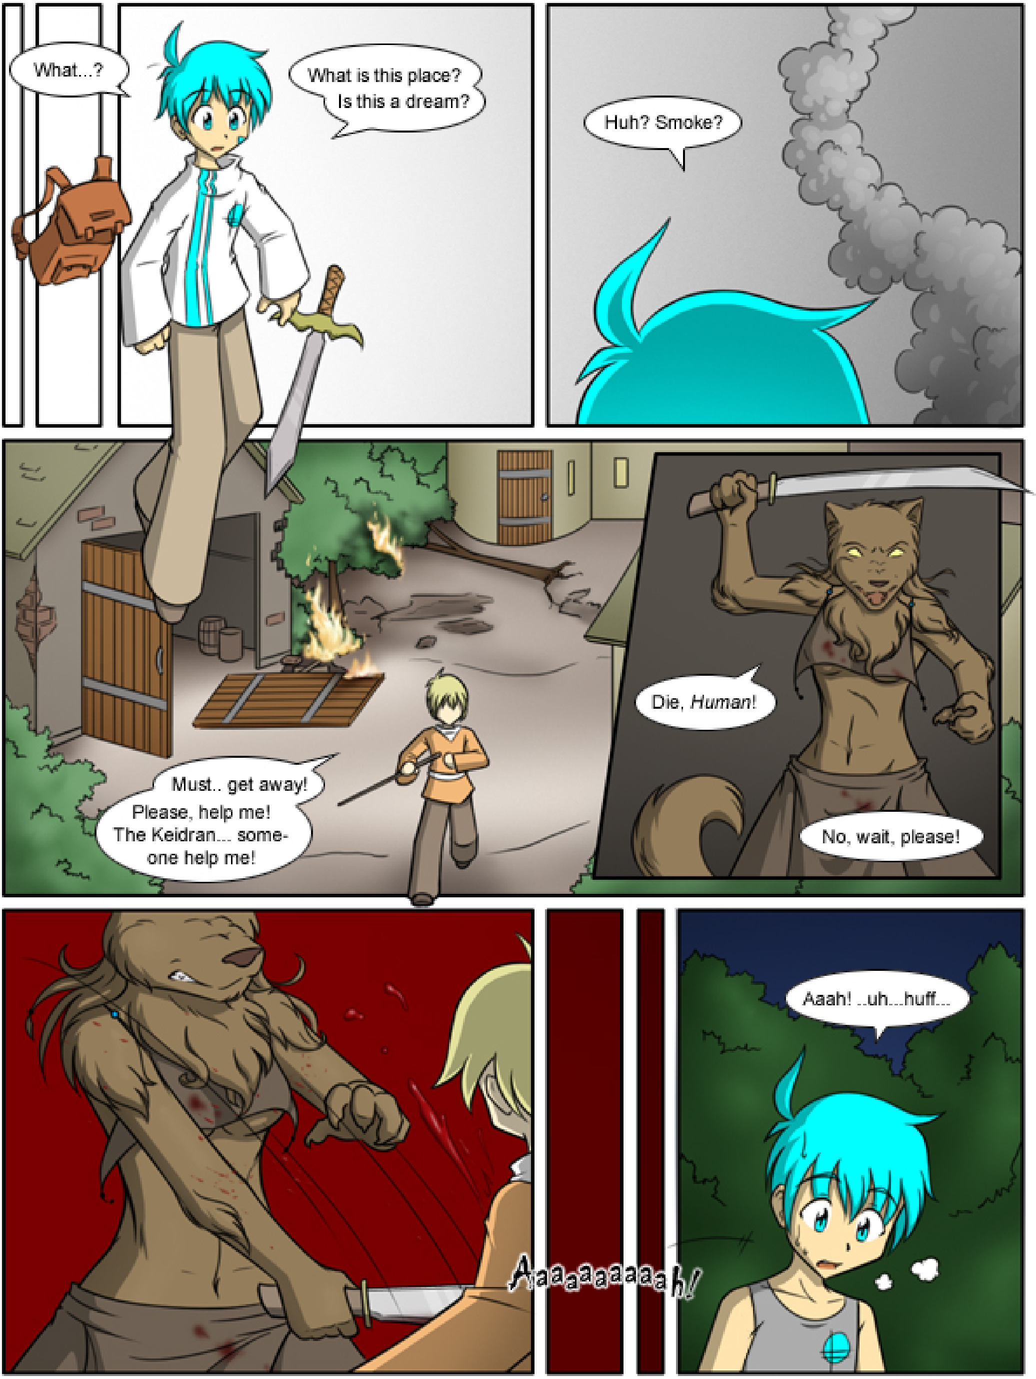
Woah, hold on! I didn't mean anything! You don't have to go if you don't want to!
Please, Flora–
Grrrr!
Ah! How did you... know my name?
Well, I...
Wait... how did I know your name?
Oh, nevermind. What I'm saying is, I won't force you to do anything. You don't have to go with me. Now please, get up...
You... promise?
I promise.
Thank you!
Not again!
Glomp!



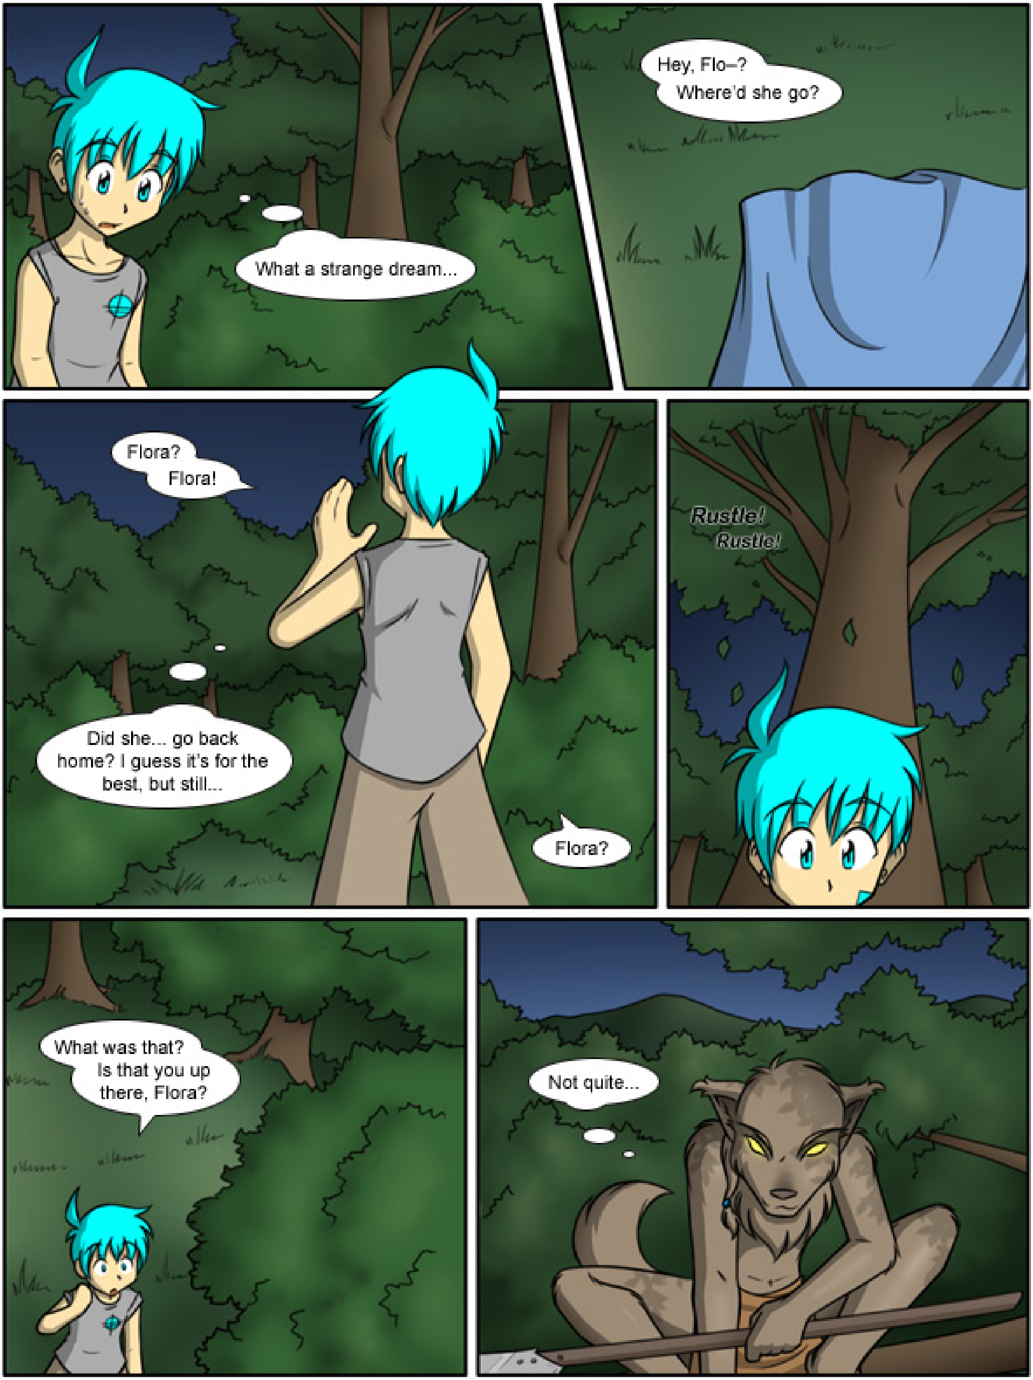
This is... kinda akward... with you being naked...
Ehem, well... I guess I'd better get the camp supplies.
. . .
Uh oh... um... Flora?
Mrr?
We might have another problem...
I only have one blanket.



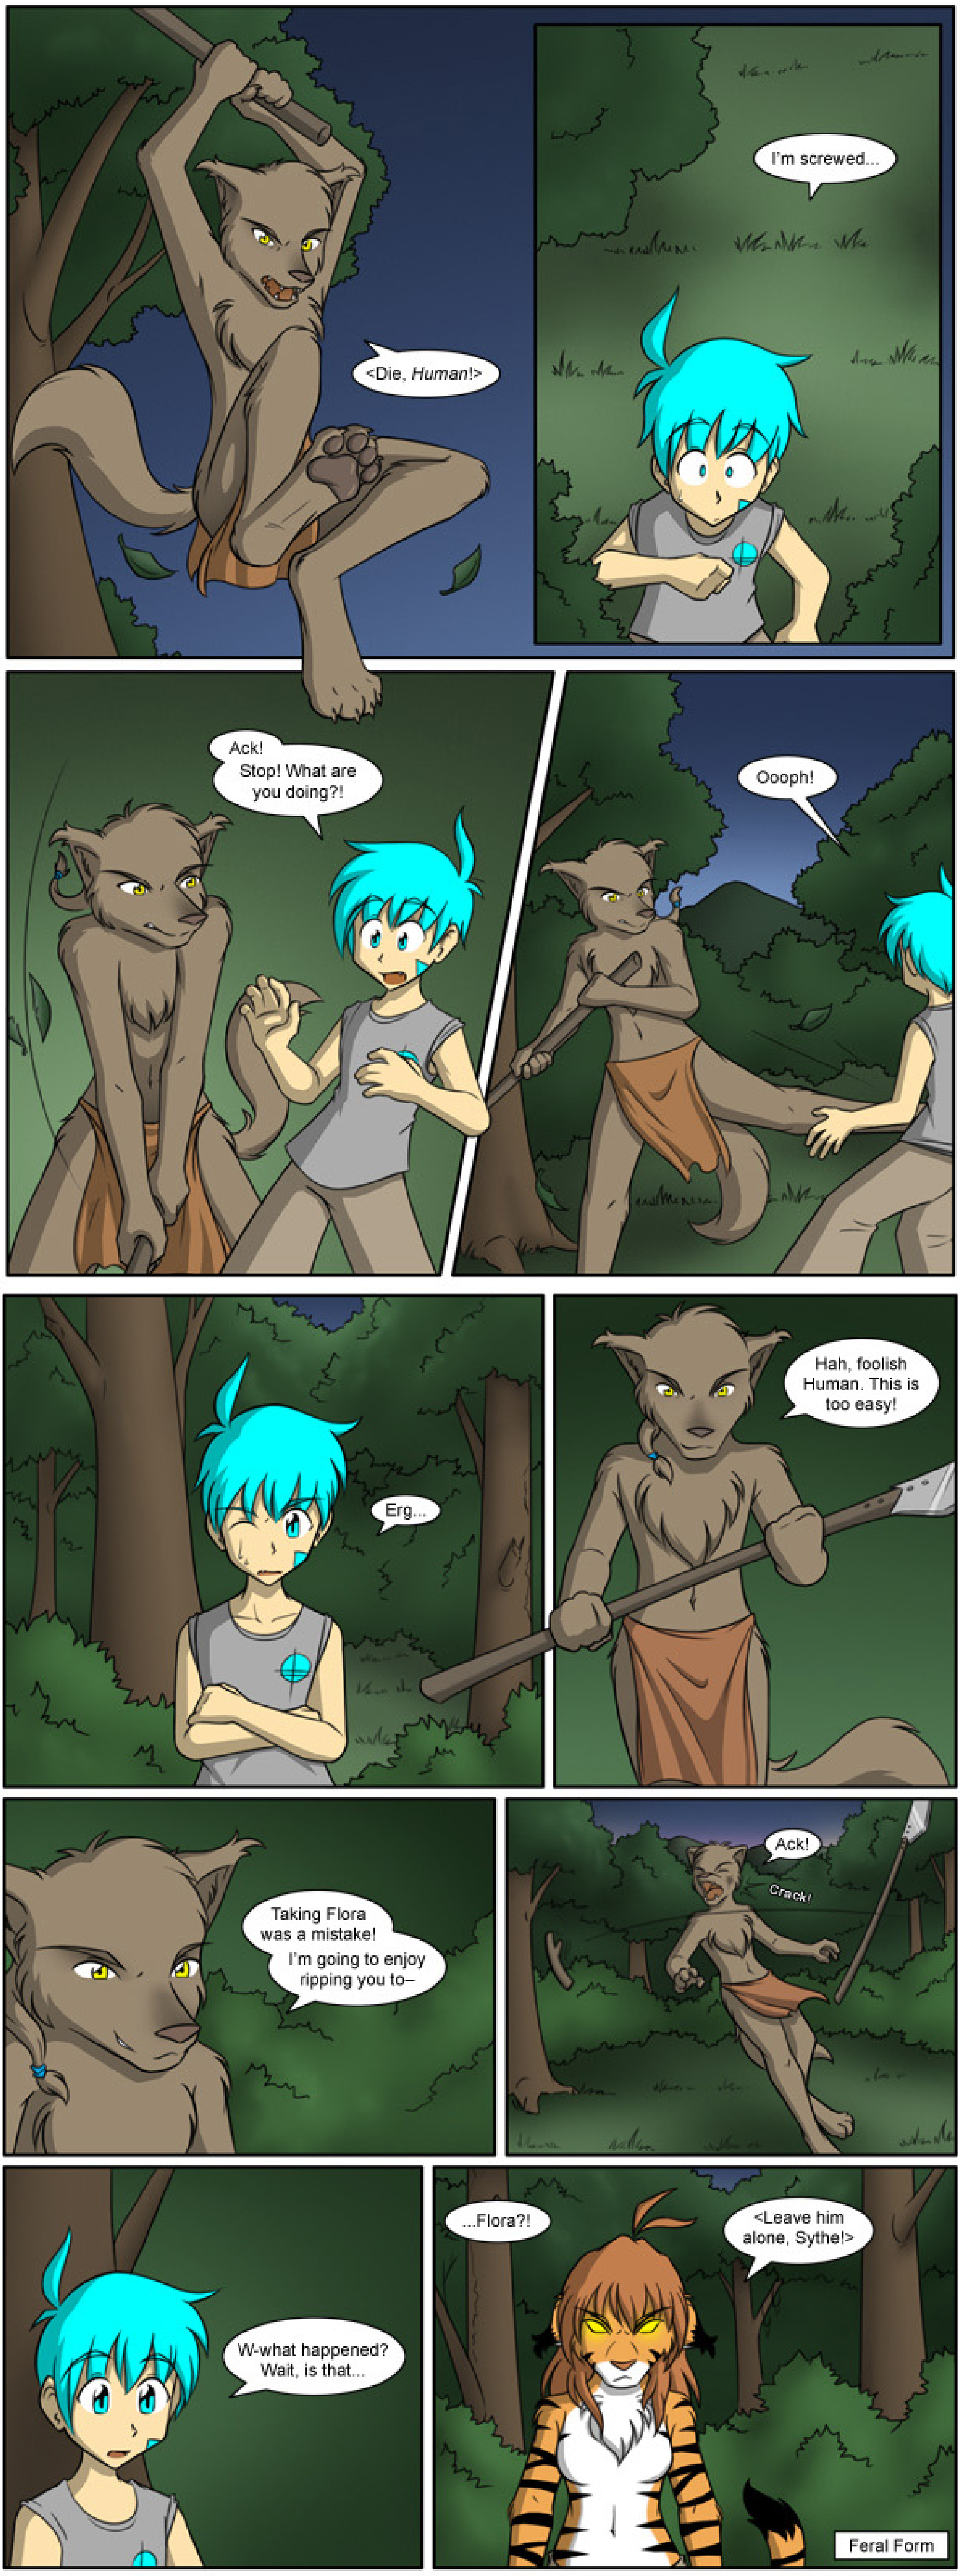
Ah, I'm really tired. This is the first chance I've had to sit down and think about what's going on. Still no memories of my past.
Who am I... how did I get here? And what is this weird girl? Maybe they're normal around here...?
Well, I'm not getting anywhere. Maybe I'll find out more in the next town.That guy I met earlier seemed to know me. Was I important?
Atleast she's asleep...
...



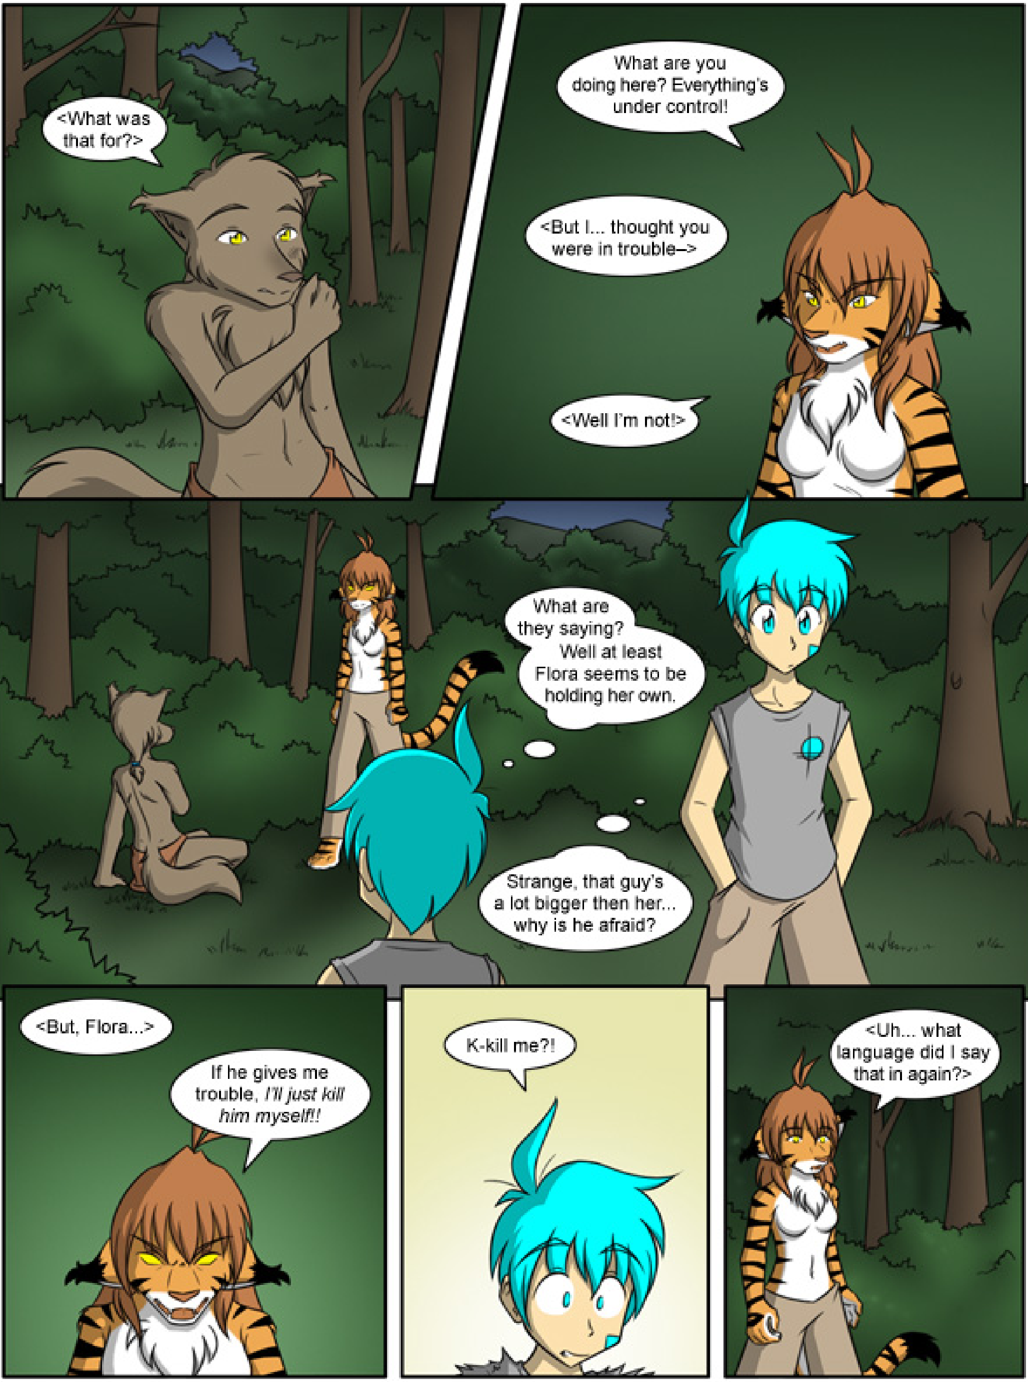
What...?
What is this place? Is this a dream?
Huh? Smoke?
Die, *Human*!
Must.. get away! Please, help me! The Keidran... someone help me!
No, wait, please!
Aaaaaaaaaaah!
Aaah! ..uh...huff...



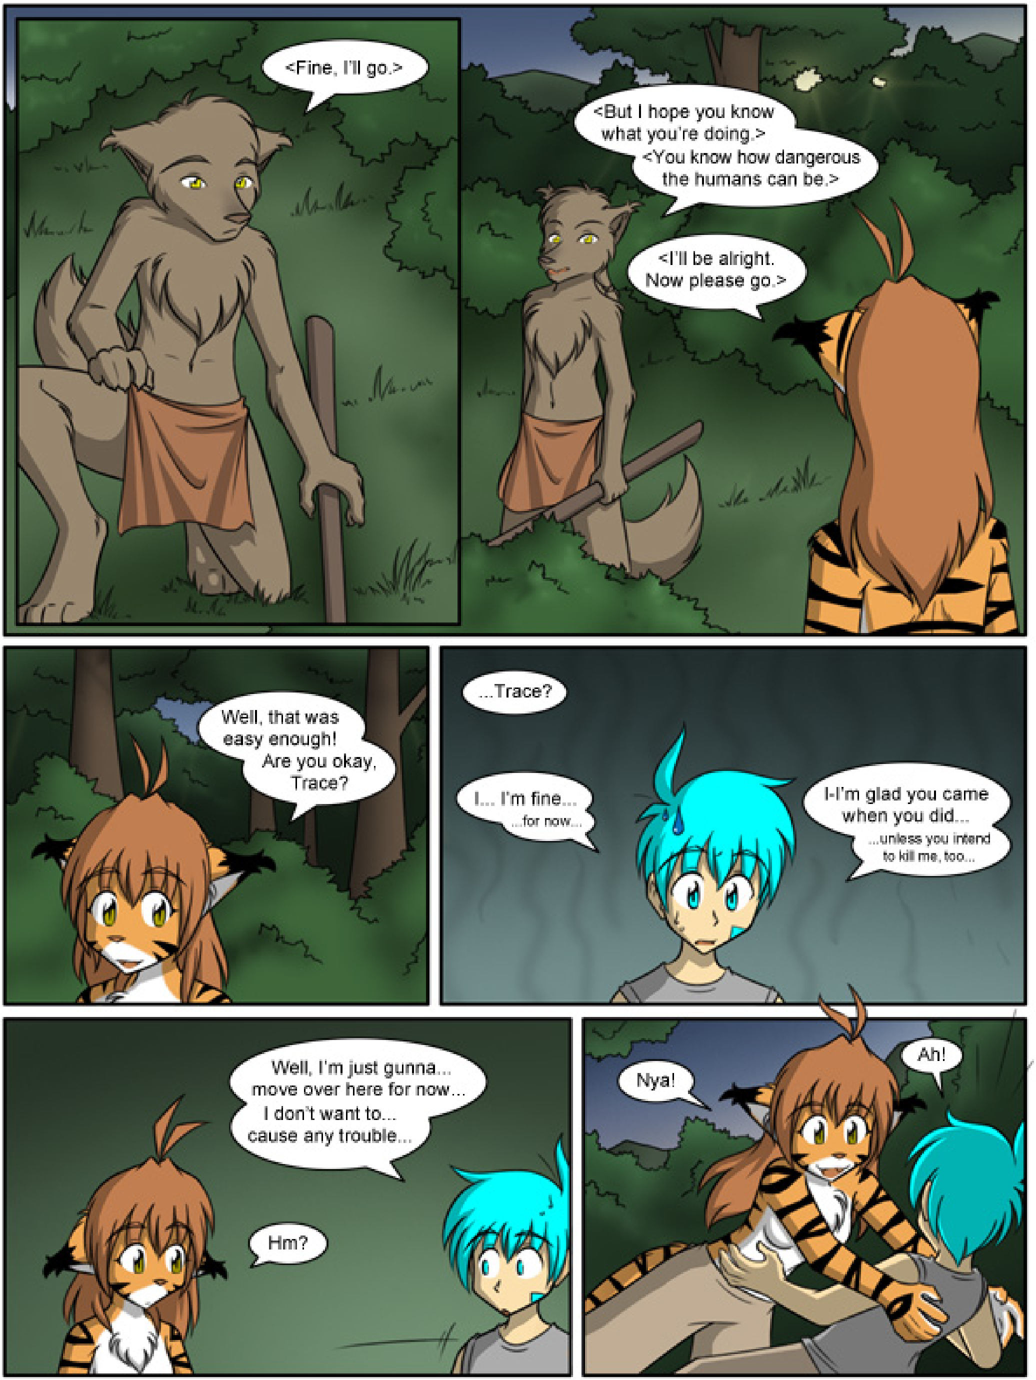
What a strange dream...
Hey, Flo–?
Where'd she go?
Flora?
Flora!
Did she... go back home? I guess it's for the best, but still...
Flora?
Rustle!
Rustle!
What was that? Is that you up there, Flora?
Not quite...



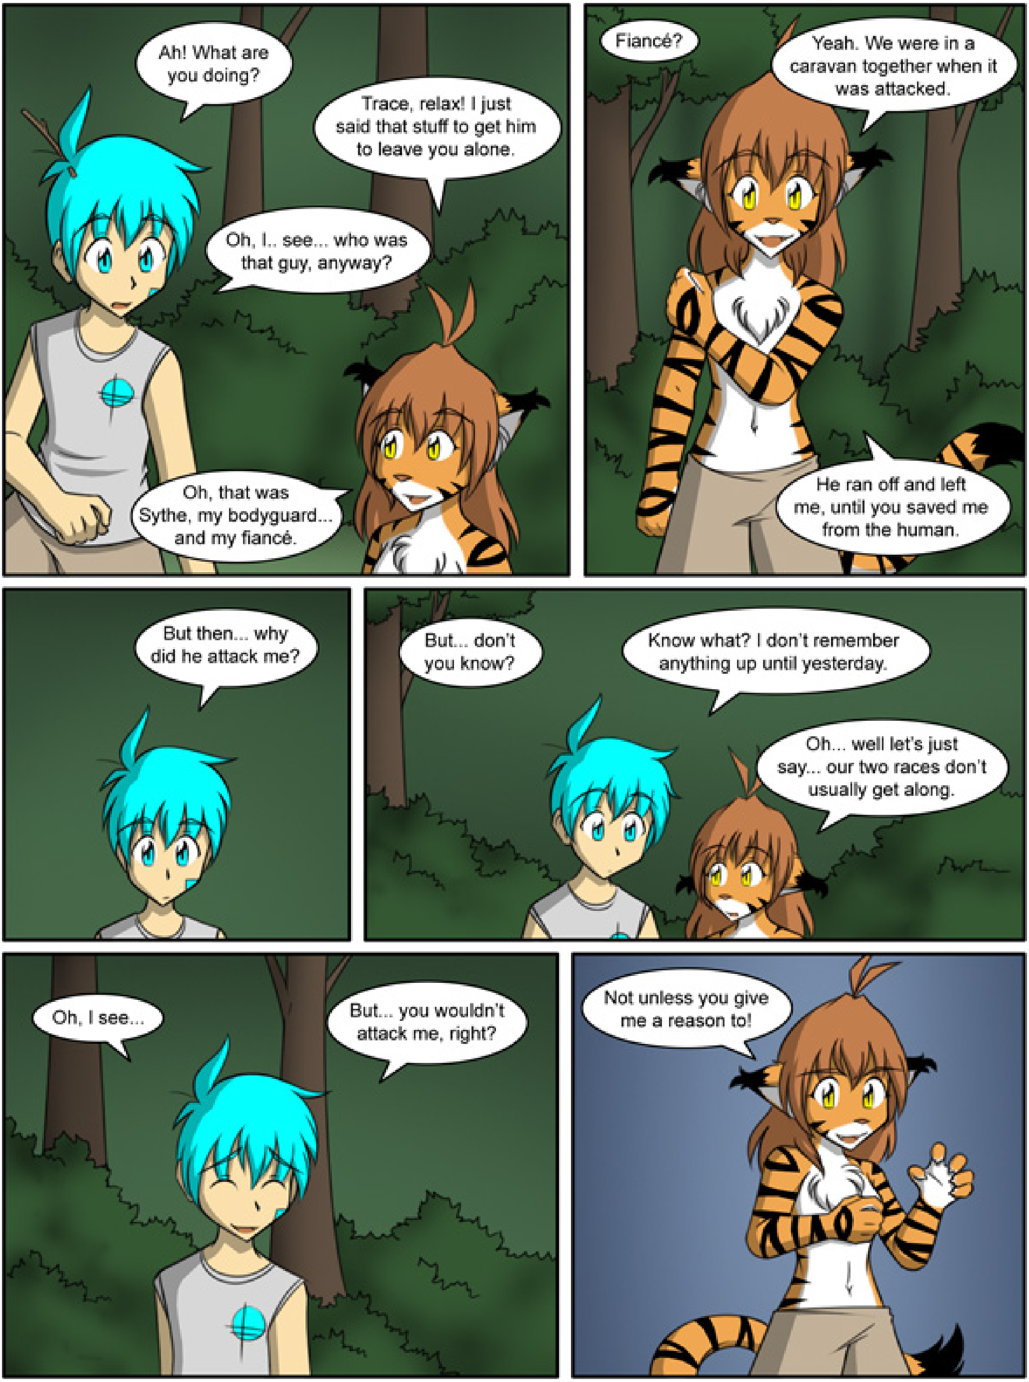
<Die, *Human*!>
I'm screwed...
Ack!
Stop! What are you doing?!
Oooph!
Erg...
Hah, foolish Human. This is too easy!
Taking Flora was a mistake!
I'm going to enjoy ripping you to–
Ack!
Crack!
W-what happened? Wait, is that...
...Flora?!
<Leave him alone, Sythe!>
Feral Form



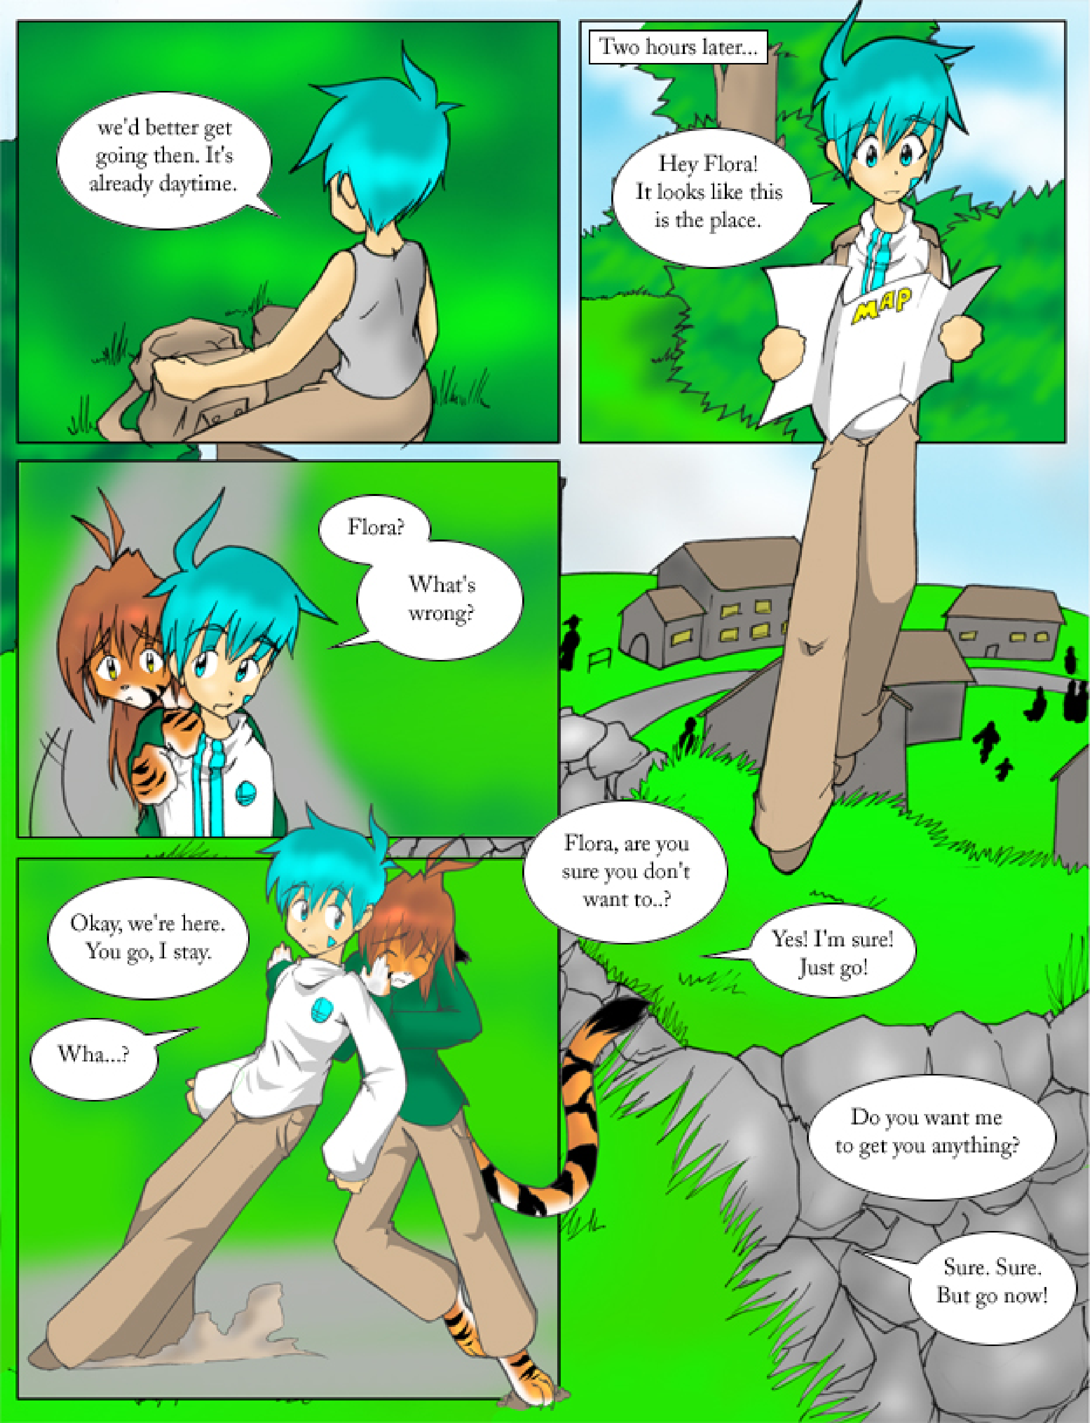
<What was that for?>
What are you doing here? Everything's under control!
<But I... thought you were in trouble–>
<Well I'm not!>
What are they saying? Well at least Flora seems to be holding her own.
Strange, that guy's a lot bigger then her... why is he afraid?
<But, Flora...>
If he gives me trouble, *I'll just kill him myself!!*
K-kill me?!
<Uh... what language did I say that in again?>



<Fine, I'll go.>
<But I hope you know what you're doing.>
<You know how dangerous the humans can be.>
<I'll be alright. Now please go.>
Well, that was easy enough!
Are you okay, Trace?
...Trace?
I... I'm fine...
...for now...
I-I'm glad you came when you did...
...unless you intend to kill me, too...
Well, I'm just gunna... move over here for now...
I don't want to... cause any trouble...
Hm?
Nya!
Ah!



Ah! What are you doing?
Trace, relax! I just said that stuff to get him to leave you alone.
Oh, I.. see... who was that guy, anyway?
Oh, that was Sythe, my bodyguard... and my fiancé.
Fiancé?
Yeah. We were in a caravan together when it was attacked.
He ran off and left me, until you saved me from the human.
But then... why did he attack me?
But... don't you know?
Know what? I don't remember anything up until yesterday.
Oh... well let's just say... our two races don't usually get along.
Oh, I see...
But... you wouldn't attack me, right?
Not unless you give me a reason to!



we'd better get going then. It's already daytime.
Two hours later...
Hey Flora! It looks like this is the place.
Flora?
What's wrong?
Okay, we're here. You go, I stay.
Wha...?
Flora, are you sure you don't want to..?
Yes! I'm sure! Just go!
Do you want me to get you anything?
Sure. Sure. But go now!
